## **Women's Section Hungerford Branch – Renewal of Subscriptions**

Women's Section subscriptions for the year commencing 1<sup>st</sup> October 2018 will be £14.00. Fees will be collected in the members bar throughout October as follows:

Thursday : 7:00 to 9:00pm  
Saturday : 9:00 to 10:00pm

This year Headquarters have changed the way membership cards are to be distributed and they will not be available to members until subscriptions have been received at HQ.

Therefore, when your fee of £14.00 is collected you will be given a receipt instead of your card.

When all fees are in hand The Women's Section Treasurer will send a cheque to Headquarters and cards will be sent to us when they have been processed.

Currently, Hungerford is one of the most successful branches in Berkshire and I hope you will continue to give us your support.
